

Hello,

Registration for MARCH BREAK Firefly Therapy Services group programs opens on Monday January 30th, 2012!

***NEW THIS YEAR: Exciting half-day camp option available each afternoon for an additional fee. This 'playcare' opportunity will include swimming in the indoor KidsAbility pool!

This March Break, Firefly will be offering the following programs:

READY TO READ - Is your child having difficulty reading at a senior kindergarten or grade one level? Are you looking for a way to show your child that reading can be FUN? Ready to Read is an exciting and engaging program designed to foster early literacy skills and enjoyment of reading! It is facilitated by a registered speech-language pathologist. Parents will love the detailed feedback and suggestions to try at home; kids will love making new friends and discovering the magic of reading! As this is a service provided by a registered speech-language pathologist, you may have coverage for this program through insurance or therapeutic funding!

See our brochure here:

SOCIAL DISCOVERY - What is sarcasm? What's the big deal about 'personal space'? How do I fit in? Social Discovery breaks down complex social nuances in a clear, logical, and fun way. Using theme-based activities, participants learn how to make friends, interact positively, and develop greater social awareness. Each child's individual goals are identified in advance and programming is tailored to meet these goals. Our staff will provide you with detailed feedback to help generalize new skills to other environments like school! This group is for children ages 7 and up! For more information, check out our brochure:

PLAYTIME SPEECH ACADEMY - Does your child need support using language to communicate in a social setting? Playtime Speech Academy combines early social development with speech and language skills. In this group, kids learn and practice functional language with their peers through games, stories, crafts, and gross motor play. The registered speech-language pathologist and teacher will work with you to develop individualized speech and social goals for your child. Programming during the camp will be tailored to work on identified goals. As this is a service provided by a registered speech-language pathologist, you may have coverage for this program through insurance or therapeutic funding! Have a look at our brochure:

All Firefly programs are tailored to the individual needs and goals of the children in the group. This is implemented by caring, knowledgeable staff and a low ratio of therapist to child. Please feel free to pass along this information as appropriate.

Registration for all March Break programs closes on Friday March 2nd, 2012!

To register, or for more information:
