

The Waterloo Region Family Network presents...

Service Dogs Information Night

A Parent Panel

Are you wondering what a Service Dog might bring to your family? Join us to talk with several organizations and a Parent Panel to find out if a Service Dog is right for your family. This information night is for all families and each organization has information specific to Autism. This Information Night is being brought to you by both Autism Services Waterloo Region on the Waterloo Region Family Network.

Childcare will be provided from 6:45 pm-9:00 pm.

Participating organizations are:

- Autism Dog Services
- Lions Foundation
- National Service Dogs
 - Parent Panel

This evening will be in a conversation cafe format with four tables set up and parents rotating every thirty minutes. This will enable for more personalized questions to be answered by the organizations and the parent panel.
